EDITORIAL

March 2022

We continue to roll our way through 2022 and this month the editorial team for the Bar Hill News is joined by a few new faces.

First I'd like to welcome Agnes who will be joining me as an editor from next month to put together this magazine. Next we have two new features editors who will be putting together articles; Liz Dams who has been contributing hedgehog and gardening articles for quite a while, and Bridget Wilson who will be working with the team on feature articles in coming issues. Welcome all!

This month we have a request for people to join myself and Anthony on the working party around a new Skatepark for Bar Hill (see the letters page). I look forward to seeing you there!

Are you part of a local group? Do you have any local news? We'd love to hear from you!! Please drop us an email **bhn-editor@barhillca.org** to be included in a future issue.

Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published. Names and addresses may be withheld. There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion.

JOSEPH and HIS TECHNICOLLOUR DREAM COAT - 20th year REUNION

On Saturday March 26th there will be a reunion of the cast and choir for the Joseph performance we did 20 years ago!

If you were involved in the original production, you would be very welcome to come and join us to sing through the songs and have a catch up. This would be the original adult cast, the children's choir (who are now all adults!), the adult choir and anyone else who was behind the scenes....We will do a morning rehearsal for the main cast and band (10.00am -12.00pm) and then everyone (children's choir, adult choir, band and cast) at 2.00-5.00pm for a sing through of the whole show.

Email Mel to let us know you are able to join us (melaniestamp3@gmail.com).

We hope you still have your scores....
Looking forward to seeing you all again!

Selling gifts for all ages

We are featuring in online Markets via Facebook and we are selling second hand items in our rosieinstitches2010 charity store on eBay. Please email avril@rosieinstitches.org.uk to make an appointment to view a selection in person. If you have been tidying another cupboard, we are welcoming donations of materials.

We need to find alternative storage space for the items we have for sale. If you have a garage or a shed that you are not making full use of would you consider letting it out to our charity.

We are still unable to run our Friends of the Rosie tea bar in Clinic 21 due to Covid19. We are unable to say when our tea bar will be able to open again as most of our volunteers are of retirement age or older. We will provide you with regular updates when we know more. We would be able to open sooner if our volunteers were younger. We also need more volunteers.

If you know of anyone who might be interested please contact Ann Laskey (annlaskey@icloud.com) for more details of what would be involved.

New members are always welcome, whether to contribute financially, to join our team of knitters, provide transport for our volunteers, display a small selection of our wares or to help on the Rosie tea bar. CAMBRIDGESHIRE COUNTY COUNCILLOR'S REPORT

As we approach spring the hope is that Covid infections, illness and deaths will decline and the disruption to education and our lives will reduce. Although we may be losing Government-imposed restrictions this does not mean we should stop doing things we know help keep our family, friends and neighbours safe, such as mask-wearing, limiting time indoors and taking LTD tests before meeting people. We need to use common sense and continue to act cautiously until the level of infections is reduced further. Covid still has potential to cause harm and it is not done with us just yet.

Residents have been dismayed by the recent news from Stagecoach that they will 'merge' routes 5 and 6 producing a slower service and with some elements no longer provided (for example to the Crematorium). Stagecoach says they are struggling to find drivers and also passenger numbers are down. But they also said they didn't believe there would be many complaints. They are planning to get feedback in person and are arranging a meeting. Publicity for which should be forthcoming shortly.

Reports of local water contamination have caused concern. It is vital to be able to understand any potential long-term health implications of any level of exposure. I support the call for the Drinking Water

Inspectorate and the County's Director of Public Health to investigate the incident and issues surrounding it, and for these bodies and Cambridge Water to make the information public. We are pushing for Cambridge Water to dramatically improve the way it keeps residents informed and updated as this has not worked well recently.

In other news, in the last fortnight the County, Fire Authority and Police have all set their budgets for next year. In very difficult circumstances the County will increase the Council Tax by 4.99% but there is help for those who are in financial difficulty. The County's budget manages to absorb and not pass on many cost increases but also does make provision for care leavers, establishing a Just Transition Fund (to support inequality and tackle the climate emergency) and increase support for biodiversity. It allows for flood resilience schemes to be extended and provides the Household Support Fund for a further year.

Our local library in the village has now re-opened. The opening hours are:

Monday: 10am – 5pm

Tuesday: 2pm – 5pm

Wednesday: 10am – 5pm

Thursday: Closed

Friday: 2pm – 5pm

Saturday: 9.30am – 12.30pm

Sunday: Closed

We look forward to seeing you there!

Bar Hill Scouts

Bar Hill scouts finished a busy term with a skating session at the Cambridge ice rink a first visit for some of them to this impressive facility, all the scouts went home with tired legs a few bruises and a happy smile.

During our first full term of face to face meetings the scouts have taken part in axe throwing with Comberton scouts, a night hike to learn how to navigate with map and compass, first aid basic training, a craft session of pyrography, an interesting and slightly messy night tie dying tee shirts was fun. A Saturday session to brush up on axe and saw work and fire lighting with flint and steel.

As usual team building games were played with boisterous enthusiasm as was an evening devoted to gang show skits and stunts.

It was really great to have everybody back plus some new faces up from the Cubs. Planning for next term is under way but this will have to take the current covid regulations into account.

PM session: 12:30pm to 4:30pm*

£20 per session (up to 6 months)

The course is designed and run by Tamsin-Jane Sewell a degree qualified Canine Psychologist, leading local dog behaviorist and highly acclaimed trainer. Here your puppy will be scientifically introduced to many other breeds of dog where he/she will learn to socialize properly, giving your new fur baby the very best start in life. Our aim is to help you develop a well rounded and contented dog from puppy through to senior citizen.

During each session an element of training is introduced, tailored to your dogs identified developmental needs, with a short video uploaded to a dedicated and exclusive 'members only' training area on our Facebook page. This will contain a demonstration of each task/developmental aspect with useful 'how to' tips to help you continue the training in your own home. Come and join us in our clean, safe and popular Day Care Facility in the village of Over just outside Cambridge.

* some flexibility over pick up/drop off times

successfully trained since

Memorial Garden Update

On behalf of the group of volunteers who manage the Memorial Garden, I would like to thank all the individuals who help maintain the gardens. During COVID this has not been easy.

We are extremely grateful for all those who have donated money for the New Memorial Garden Seat. The new seat will hopefully be in position by the Spring depending on suppliers. There is still time to offer a donation, should you wish to do so details are as follows:- cheques made payable to the "Bar Hill Memorial Garden Account" or cash can be posted at 7 Acorn Avenue, or alternatively a donation can be paid directly into the Cambridge Building Society Account No.1768402740.

Do you have an interest in gardening and have just a very few hours to spare? We are looking for individuals who can help us with this project. Most of us have been associated with this project since its inception and we are getting older and would like some fresh young helpers. For further information contact Chris Stannard **01954 781978**.

Bar Hill Tennis Club

Some of our members have been playing during the winter and our new Winter Membership has also proved popular.

Most of us however are looking forward to the new season and hopefully some summer sun. What better way to welcome the better weather than enjoying a game of tennis!

Why not come and join our Club for some fun tennis!

This year our AGM is being held at 7.30pm on Tuesday 8th March in the Bar Hill Social Club. All members and non-members interested in tennis or want to know more about the Club are invited to attend – if you would like to attend please contact Paul Chubbuck (details below).

Just a reminder for all current members that all memberships are due for renewal on 1st April and as usual the court access code will be changed from that date. For 2022–3 membership details will be available on our web site from mid March. There is an active WhatsApp group for members to share information and find playing partners.

We invite all current, lapsed and new members to come along and play on the courts. Please encourage your family, neighbours and friends to come down to our Club social nights to play some tennis. We welcome players of all abilities. Tennis is an excellent way to keep fit and enjoy the summer evenings in a relaxed and friendly environment.

Our Adult Club nights are Tuesdays & Thursdays 6.30 to 9pm and Club nights start Tuesday 12th April 2022 (or earlier if the weather permits). We look forward to seeing you!

Dispensary update

Allow 3 working days for all requests. We understand patients have been having trouble getting through to the dispensary on the telephone lines. This is due to the volume of calls, and measures are being implemented to address this.

Your GP Practice – meet the team

Your GP practice is here to ensure you get the right care from the right healthcare professional at the right time.

You might not always need to see a GP. Our nurses, pharmacists and healthcare assistants are all trained professionals who can help you to get advice or treatment sooner. Here you can find out more about our dedicated practice team:

Reception team and Care Navigators are trained to know about the care and services available to you. They'll talk to you in confidence about your health problem and book an appointment or service at the right time.

Advanced Practitioners (including nurses, paramedics and physiotherapists) have undergone additional specialist training and are able to assess, treat, diagnose, refer and prescribe medication.

Practice nurses support many long-term conditions, run clinics and health checks and can treat minor health problems and injuries.

Clinical pharmacists are experts in medicines and can help with enquiries and carry out medication reviews.

Healthcare assistants can assist with a range of clinical duties, for example, taking blood samples, blood pressure checks and ECGs under the guidance of the wider healthcare professional team.

Social prescribers work in partnership with GP practices and can help connect you to local community services and support networks.

How do GP practices work?

When you contact us you will be assessed (known as triaged) to ensure you receive the right care, from the right professional, at the right time. You might be offered a telephone or video consultation, or be seen in person by a nurse, pharmacist, GP or another member of the GP practice team. Working in this way makes sure the people with the greatest need are seen first.

What is triage?

Triage is how we find out more about the support you need. This helps us decide which health professional you should see and when, including if you need to be seen in person, via a phone consultation, via a video consultation, or if you could get help from another service, such as a community pharmacy.

Why are receptionists asking me personal questions?

Our receptionists are trained to know about the care and services available to you. Their questions are to ensure that you are seen by the right person at the right time, and all answers are kept confidential.

Knit and Natter Group

We are delighted to announce that the "Knit and Natter Group" will be meeting again after around 18 months.

We can be found in The Octagon on a Thursday afternoon from around 1.15 p.m.

This group is well established in the Village having started in September 1997 in Joan Smart's house with around 6 people.

We have grown since then and welcome around 40 ladies each week. The purpose of the group is to provide friendship and a regular social event and knitting projects for the Knitters to work on. (Our afternoon is punctuated by tea and cake!) Most of the knitting is given to charities who need baby's clothes and blankets. (However, you do not have to knit to belong to the group.)

We have provided plenty of baby hats for the new born babies at The Rosie Hospital in colours (red, amber and green) to indicate whether they need extra attention. We have sent sets of baby clothes to a Children's orphanage in Sachi Bondu in Africa and many, many blankets to Care Homes, and provided hand knitted hats, scarves and gloves for Christmas in poorer European countries, among many other things.

We are always happy to welcome new people into this friendly group which has proved valuable to many people living alone and/or newly moved into the village.

Interested? Give me a ring and I can give you some more information. Contact me on **780260**. Sue Kenchington

Bar Hill Village Hall

The Hall was first built in 1978 for use by the residents of the village as a social centre; a place to meet and to hold educational and recreational classes for the community. This founding principle is the corner-stone of the Village Hall's life today, with hundreds of members of the local community using the buildings every week, including a number of regular hirers based both within the village and the surrounding area.

Facilities and Governance

The site has undergone various small extensions and a complete rebuild over the years to continually improve the facilities such as the provision of WiFi.

The large Main Hall has multi-purpose vinyl flooring, making it flexible for all types of events. There is a kitchen alongside the Hall with a serving hatch, making it useful for self-catering at parties, discos and the like. The licensed bar can be booked on request and will be serviced by the Sports and Social Club. The Hall opens out onto a large patio area that is ideal for external activities or a spill-over for internal events and has two bolted gates that lead off the premises.

There is also a small Meeting Room, with its own independent access and great for meetings of up to 10 people.

The Village Hall is a UK-registered charity (number 1002579) and run by a committee of trustees who are committed to the on-going development of the Village Hall's role as a key community facility.

To make a booking, please visit our web site barhillvillagehall.com and then email enquiries@barhillvillagehall.com to confirm arrangements.

Alternatively, call **01954 782414** and leave a message. We aim to return calls within 24hours (Monday to Friday).

Winter tree maintenance program

This month you will continue to see our contractors working on the many trees and green areas around the village. This maintenance work is carried out at times to avoid disturbing nesting birds and wildlife in the spring and summer. Unfortunately, every year some of these trees have to be cut back hard or felled to maintain the health of the trees, and for safety and insurance reasons.

The Queen's Green Canopy

The Parish Council is planning to plant some larger specimen trees at a location to be decided in commemoration of Her Majesty the Queen's Platinum jubilee. A plaque will be placed close to the trees and the trees will be registered as a part of the Queen's Green Canopy campaign. More information can be found at <https://queensgreencanopy.org/>

Dog Fouling

Dog owners are respectfully requested to be considerate to others by ensuring that they pick up after their pet and take it home or dispose of it in one of the dog waste bins dotted around the village and on the perimeter road.

Residents may report incidents of dog fouling to South Cambs District Council which has enforcement powers (see Useful Links).

Lost property

The Council has a range of lost property. If you have lost something in the village over the last few years please get in touch by email with a description.

We will be looking to dispose of any unclaimed items in May.

Health Focus

Last month we explained what is blood pressure and how you can measure and reduce it. This week we will share with you what can cause an increase of high blood pressure. These factors are important for you to understand so you can aim to reduce your risk.

Below is a list of risk factors that are proven to lead to higher blood pressure- some you are unable to change and others that are in your control.

- being overweight
- eat too much salt and do not eat enough fruit and vegetables
- do not do enough exercise
- drink too much alcohol or coffee (or other caffeine-based drinks)
- smoke
- do not get much sleep or have disturbed sleep
- are over 65
- have a relative with high blood pressure
- are of black African or black Caribbean descent
- live in a deprived area

Making healthy lifestyle changes can sometimes help reduce your chances of getting high blood pressure and help lower your blood pressure if it's already high. Last month we shared a list of things you can do to reduce blood pressure.

In about 1 in 20 cases, high blood pressure happens as the result of an underlying health condition or taking a certain medicine.

Health conditions that can cause high blood pressure and important to monitor and reduce include:

- kidney disease
- diabetes
- long-term kidney infections

- obstructive sleep apnoea – where the walls of the throat relax and narrow during sleep, interrupting normal breathing
- glomerulonephritis – damage to the tiny filters inside the kidneys
- narrowing of the arteries supplying the kidneys
- hormone problems – such as an underactive thyroid, an overactive thyroid, Cushing's syndrome, acromegaly, increased levels of the hormone aldosterone (hyperaldosteronism), and pheochromocytoma
- lupus – a condition in which the immune system attacks parts of the body, such as the skin, joints and organs
- scleroderma – a condition that causes thickened skin, and sometimes problems with organs and blood vessels

Medicines that can increase your blood pressure include:

- the contraceptive pill
- steroids
- non-steroidal anti-inflammatory drugs (NSAIDs) – such as ibuprofen and naproxen
- some pharmacy cough and cold remedies
- some herbal remedies – particularly those containing liquorice
- some recreational drugs – such as cocaine and amphetamines
- some selective serotonin-noradrenaline reuptake inhibitor (SSNRI) antidepressants – such as venlafaxine

In these cases, your blood pressure may return to normal once you stop taking the medicine or drug. Please share your blood pressure readings with the surgery if requested to do so.

BAR HILL ROSARY GROUP

Dear All,

Rosary Group meetings have to be postponed until further notice.

Nevertheless, this particular uncertain time might be a convenient

moment for you to

develop a more personal relationship with Jesus and Virgin Mary to find peace of heart. We may help

you by giving away rosary beads with instruction on how to start praying. Whether

you are new to rosary or not we encourage finding time for a faithful reflection. Please text your address to Agnes (**074 3255 0621**) and the free kit will be delivered to your door (in Bar Hill). God bless you!

In February we have been making the most of the outdoors and exploring the local village, talking about familiar routes we take with our families. We have started visiting local places starting with the library selecting some books to take back to the setting. The park has been the focus of our exercise activities when out of the setting.

We have had a role play area based on the superhero theme. We have made some pasta and popcorn. We then used the pasta and popcorn as part of the sensory play.

Next month we will focus on our favourite stories as we celebrate world book day.

Girlguiding in Bar Hill

Girlguiding is the largest organisation for girls in the UK. Through fun, friendship, challenge and adventure we empower girls to find their voice, inspiring them to discover the best in themselves and to make a positive difference in their community. All sections go on sleepovers and residential holidays, doing canoeing, rock climbing and other adventurous activities.

In Bar Hill we have Guiding groups at all levels, who all follow a similar programme of 6 themes: Know Myself, Express Myself, Be Well, Have Adventures, Take Action and Skills For My Future.

Rainbows (5-7 years old): Rainbows learn by doing – do sports, arts and crafts and play games.

Brownies (7-10 years old): Brownies is all about trying new things where the girls learn about themselves, their community and their world.

Guides (10-14 years old): Guides have a programme which is designed to inspire and challenge girls.

If your daughter is interested in joining or you are interested in volunteering please go to <https://bit.ly/3KevSft>.

If you are an adult interesting in volunteering with Girlguiding please go to: <https://bit.ly/3nvCSeh>.

Maple Surgery News

Prescriptions

Please be aware that we do not accept prescription requests over the telephone. Requests need to be made in writing. The reason for this is safety. Our reception team are not clinically trained and this can lead to errors and discrepancies between what the patient has requested and what is issued. Prescription requests can be made via email, the NHS app, our online service or by posting your prescription request into the box at the front of the surgery.

Carers' Cafe

The Next Carers' café will take place on 14th March at the Community hub. These cafes are open to all carers within the Bar Hill Community. Our social prescriber, Pekka, will be attending along with one of nurses, Fiona and myself so please do come along for a chat and a cuppa!

Covid 4th Booster Vaccination

People aged 16 and over who are severely immunosuppressed and were given a 3rd primary vaccine dose are now eligible for a 4th booster vaccination. This needs to be at least three months on from their third dose. This group includes people having treatment for conditions such as cancer or those with long-term chronic conditions where their condition puts them at greater risk if they were to get COVID.

Patients are being contacted by the NHS to let them know they are eligible and asked to contact their GP for a letter to take to a walk-in centre for their booster dose. Do let us know if you require a letter and we can get one printed for you.

YOUR COUNCIL TAX

Register to receive your Council Tax bill online. This means you will receive your bill as soon as it's ready, rather than waiting for it in the post. It also saves paper and taxpayers' money.

scambs.gov.uk/your-council-tax

Around 40% of our annual budget is funded from local Council Tax. The rest comes from other sources, including Business Rates and grants. A £5 per year increase in our portion of Council Tax for the average band D home was agreed, to ensure essential frontline services continue to be delivered effectively and action can keep being taken to tackle climate change in South Cambridgeshire. The majority of Council Tax South Cambs collect is passed to Cambridgeshire County Council, Cambridgeshire Police, Cambridgeshire Fire and Rescue Service and parish or town councils

BUSINESS GRANTS

Since the start of the pandemic, the distribution of around £45 million in Government support grants to over 5,000 South Cambridgeshire businesses

ARE YOU AWARE OF 'PREVENT'

PREVENT is part of the Government's counter-terrorism strategy, previously managed by the Police but now managed by the Council. We work with police and health partners to prevent terrorism and safeguard people at risk of becoming radicalised. In the coming months we will be raising awareness in our communities, to help people spot the signs of radicalisation, and know what to do. In the meantime, find out more from 'ACT

early', or on our website. **www.actearly.uk**

CAMBRIDGESHIRE COUNTY DAY

The first Cambridgeshire County Day takes place on Thursday 23 June at the July Course, Newmarket. It will celebrate the best of Cambridgeshire, to inspire future generations to be the best they can be, while also showcasing key achievements in Cambridgeshire during the 70 years of Her Majesty The Queen's reign. Find out more on the Cambridgeshire County Day website.

BIN LORRY CREWS

Having our bins emptied each week is something we all appreciate, and it wouldn't be possible without our team of 77 loaders and 53 drivers. They empty around 190,000 bins each week from 127,000 households within South Cambridgeshire and Cambridge City, and one crew can empty as many as 1,400 bins in one day! The bin lorries are also put through their paces – each of the 47 vehicles are driven around 300 miles each week and can carry a maximum of 15 tonnes (the weight of three elephants). The job can be quite physical, walking up to 12 miles each day, but this is one aspect of the job that one refuse loader, says he enjoys: "Being outside and able to keep fit by all the walking, moving the bins and getting in and out of the truck is a bonus when being at work as it saves going to the gym."

If you like the sound of a job that gets you out and about, with an early start and early finish, and good opportunities for progression, take a look at our current vacancies online. **scambs.gov.uk/jobs**
